

Warranty Policy

Standard Limited Warranty — UK & Ireland

1. Warranty Coverage Periods

Product	Standard Warranty	Extended Warranty (SloffCare+)
SloffBook Laptops	2 years	Up to 4 years
SloffPhone Smartphones	2 years	Up to 3 years
SloffWatch	1 year	Up to 2 years
Accessories & Peripherals	1 year	Up to 2 years
Refurbished Products	90 days	Up to 1 year

2. What Is Covered

The standard warranty covers defects in materials and workmanship under normal use. This includes:

- Hardware component failures not caused by the user (e.g. motherboard, screen backlight failure, battery defect).
- Manufacturing defects identified within the warranty period.
- Software issues directly caused by a hardware fault.

3. What Is NOT Covered

- Physical damage including cracked screens, dents, or liquid damage.
- Damage caused by unauthorised repairs or modifications.
- Normal wear and tear (e.g. battery capacity reduction below 80% after 12 months is considered normal).
- Cosmetic damage that does not affect functionality.
- Data loss — customers are responsible for backing up their own data.
- Damage caused by use outside of the product's operating specifications.

4. How to Make a Warranty Claim

Step 1: Contact our support team at warranty@sloffelectronics.co.uk or call 0800 123 4567 (Mon–Fri, 9am–6pm).

Step 2: Provide your serial number (found on the device or original packaging) and proof of purchase.

Step 3: Our team will diagnose the issue remotely where possible. If a hardware fault is confirmed, a prepaid courier label will be emailed to you.

Step 4: Devices are assessed at our repair centre in Birmingham within 5 business days.

Step 5: Repaired or replacement devices are returned within 10 business days of receipt.

5. SloffCare+ Extended Warranty

SloffCare+ can be purchased within 30 days of your device purchase. It extends the standard warranty and adds accidental damage protection (one claim per 12-month period, £49 excess). Purchase at sloffelectronics.co.uk/sloffcare or in-store.
